

Chrome Wire Shelving

An attractive shelving system...
...ideal for retail and office applications. The system is bolt free with a durable polished nickel chrome finish.

Using add on clips you can connect the shelving to create shelf runs to any length you require.

- Simple quick assembly.
- Loading 150kg per shelf.
- Durable polished nickel chrome finish.
- All bays 1829mm high and are available in three widths & depths.

Budget Shelving - p34
Boltless Shelving - p36
Longspan Shelving - p50
